DIAMOND BAR MONTESSORI ACADEMY

MAY 2026

A Month of Growth & Celebration

As spring is in full bloom, so are our students. It's been a joy to watch how much they've grown this year—academically, socially, and emotionally. With more time spent outdoors, children are exploring, collaborating, and building independence in new ways. From practicing writing and working with Montessori materials to gardening and hands-on discovery, every day brings meaningful learning. We're so proud of their progress and excited for what's ahead.

Summer Camp 2026
Now Enrolling!
Dates: June 15 – August 7

All the World's a Stage

This summer, our camp invites children into the world of plays, movies, and stage shows. Preschool and early elementary students will dress up, act out simple scenes, and explore storytelling in fun, age-appropriate ways. Activities include making props, learning basic movements, and watching short clips for inspiration. We'll also welcome visiting performers and plan field trips to child-friendly shows and theaters. It's a wonderful way for children to build confidence, use their imagination, and enjoy working together.

Spots are limited, so we encourage you to reserve early.

Field trip spaces are first come, first served.

Teacher Appreciation Week (May 4–8)

Our teachers give so much of themselves each day, and this week is all about celebrating them. A simple thank-you, a note, or a drawing from your child goes a long way in making them feel appreciated.

Cinco de Mayo Celebration (May 5)

Our classrooms will come alive with music, movement, and creative projects as we celebrate Mexican culture. Children will enjoy hands-on activities and may come dressed in festive clothing if they'd like.

Mother's Day Breakfast (May 12)

We're excited to welcome moms, grandmothers, and special caregivers to a continental breakfast on the playground. Enjoy light refreshments, time with your child, and a few sweet surprises they've been working on.

Preschool & Kindergarten Graduation (June 19)

Graduation season is almost here! Children who meet the age and enrollment requirements will be celebrated in a special ceremony. More details will be shared soon as we prepare to honor their hard work and growth.

Spring Program: Our Musical World (June 19)

Our students are busy getting ready for this year's Spring Performance. This year's theme takes them on a journey around the world as they learn songs and dances from different countries and cultures. With guidance from Miss Shehani (Music) and Miss Nayeli (Dance), they're practicing simple routines, exploring new rhythms, and building confidence. Most importantly, they're having a great time. We can't wait to share this special performance with you.

Memorial Day (May 25)

School will be closed as we take time to remember and honor those who served. It can also be a meaningful opportunity to talk with children about the importance of this day.
